# AUSTRALIAN TIMETABLE ASSOCIATION

AUCTION 83

NOVEMBER 2016

## Information and Instructions

---

### Auction Details:

**Bids:** Send bids to ATA Auctioneer **Geoff Hassall** by post to **2/30 Vale St, Birmingham Gardens, NSW 2287**, or by email to **geoffrey.hassall@gmail.com**. *Please note Geoff's the new postal address.*

All values are in whole dollars. Initial bids must be received by **Sunday 20 November 2016**.

If submitting your bids by post, it is essential that you advise the Auctioneer by phone or email in case the postal delivery is delayed.

For the Lots of your choice, write your bid in the 'Bid' column. It must be not less than the amount shown in the Reserve column.

If this is the only bid for a Lot, you will pay your bid price. Low bids are encouraged if you have only a modest amount to outlay, as frequently items do not sell at much higher than the reserve price.

If there are multiple bidders, but no Alternate Bids for a Lot, the Lot is sold to the highest bidder at that bid price.

You can enter an **Alternate Bid** that you are prepared to pay in the 'Alt Bid' column.

If there is more than one bid for a Lot, all the Alternate Bids for that Lot are then considered. **The successful bidder is the person with the highest Bid (Basic or Alternative) at a price that is the lesser of this highest Bid or 20% above the second highest Bid, unless your basic bid is higher, in which case you pay your basic bid.** Your basic bid is always assumed to be the amount you are prepared to pay regardless of competition, and is the minimum you will be charged, if successful.

If there is more than one equal bid, each bidder will be contacted by the auctioneer, preferably by email, and given the opportunity to raise their bid.

The Auctioneer will advise you, preferably by email, of the auction items where your bid was the highest, and the total value of your order. This will be done as soon as practicable after the closing date for bids, which is generally the 20<sup>th</sup> of the month in which the auction was held.

ATA members are given a discount of 5% when the total of successful bids is more than \$30, calculated to the nearest 5 cents.

The **cost of packing and postage** to the successful bidder **IS INCLUDED** in the **Auction bid values**. This may vary between the cost of a small envelope and stamp to a large, 5kg posting bag, which currently retails at \$17.60 each. The size of the reserve price will reflect this among other things like age and scarcity.

**Payment must be received within 7 days** of advice that your bid has been accepted, otherwise the bid will lapse. Payment by EFT or PayPal is strongly recommended.

Auction items will be despatched to successful bidders after payment has been made.

Lots unsold after inclusion in two Auctions will be allocated to the Distribution List unless the vendor requests their return.

The planned topic for a future Auction is **Public railway timetables**.

**Codes** used in the Auction Catalogue:

WTT: Working Timetable.

A4, B5: Item is close to these standard paper sizes.

EC: Excellent (mint) condition.

VGC: Very good condition: only minor marks, tears or creases

GC: Good condition: has some marks, tears or creases.

FC: Fair condition: has blemishes, but is still readable. PC: Poor condition: Has some pages damaged or missing.
